

SGGSCC ADD-ON COURSES (2017-18)

Keeping pace with accelerating demand for career-oriented courses at undergraduate level, SGGSCC offers short term add-on courses in its own campus. The courses aim at equipping students with tools to meet the challenges of highly competitive job market. These courses have been so designed as to bridge the gap between industry and academia. Students are not only trained and updated by the professionals but also get an opportunity for experiential learning. The course supplements what students are learning in their core subject. The objective is to provide cutting edge to the students and make them professionally more qualified and industry ready.
