

# THE PLACEMENT CELL

## (2014-2016)

The Training and Placement Cell started its activities in January 2005 to institutionalize the process of summer training and final placements of students. An effort has always been made to invite companies with varied profiles to suit the requirements of our students looking for jobs in finance, accounting, marketing, sales, computers, audit and research background.

The Training and Placement Cell not only provides opportunities to students for their placements but also helps them in grooming up their personality by organizing various interactive sessions on personality development.

### **TRAINING**

The Training and Placement Cell of the College, provides training to the pre-final year students of different programs to undergo internships in leading organizations to enable them to learn the skills required to tackle live problems that occur in the working of an individual entity.

### **PLACEMENTS**

Many reputed organizations including MNCs are coming to the college for campus recruitment. To achieve its goal, the Training & Placement Cell works towards recognizing the core competencies of students. It works through a close knit organization and has a structure which conveys information to the students at the fastest possible rate. To coordinate the activities of placement, a committee of student representatives has been constituted.

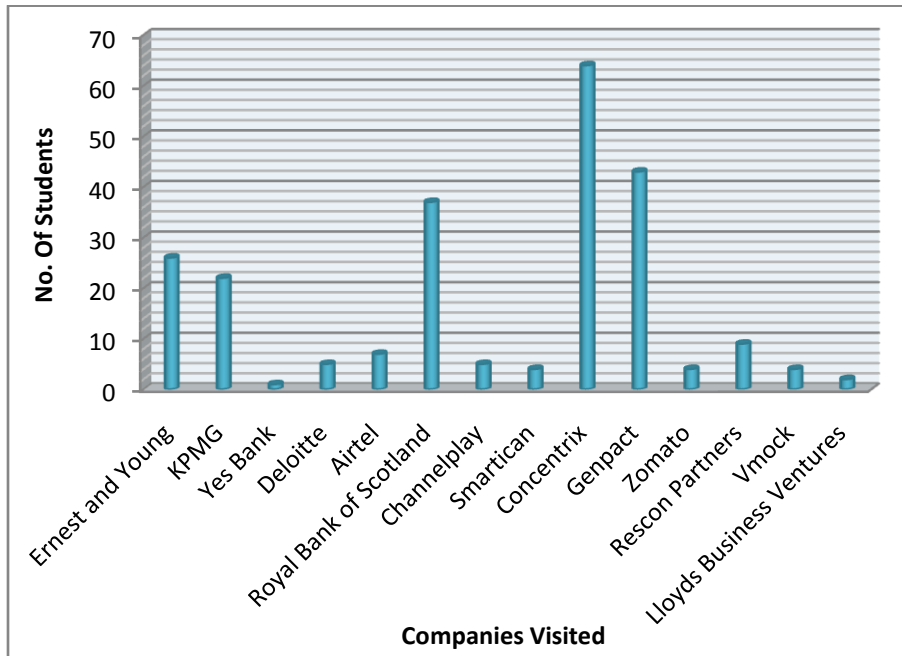

The Training & Placement Cell firmly believes in ‘**Industry-Institute Interaction**’ and accordingly, organizes seminars, talks and interaction sessions to provide a platform to the young minds to interact with professionals from various industries.

The following are the statistics of the companies which conducted recruitment drives in the college in the past 2 years along with the CTC and the number of students hired:-
