

URJA

The Commerce Society

ABOUT THE SOCIETY

In 2004, the students of commerce department came together in order to learn beyond the textbooks and explore the plethora of knowledge which lies beyond us.

Since its inception, URJA strives to inspire and motivate students. The core idea of the society is to provide a platform for personality development. URJA seeks to develop various entrepreneurial and management skills through the various events that are being organized in the academic sessions.

ABOUT THE EVENT

URJA-The Commerce Society of Sri Guru Gobind Singh College Of Commerce organises **ACHIEVERS' TALK-** Experiences worth sharing. We aim to provide a platform wherein Achievers have been skillfully influencing people and bringing about a perceptible change in the society through their sheer hard work and commitment in the field to share their success mantras with the young leaders of tomorrow and can motivate them to put their efforts in the right direction.

GLIMPSE OF ACHIEVERS' TALK 3.0

800+
Attendees

Speakers including the TVF Team, Rahul Tyagi, Vineet Vincent, Riteish Malik, Nazar Battu, Deepak Goel, Mohit Kathuria, Anurag Batra, Rohit Thakur

SESSION 2017-18

URJA kick started its session of 2017 with a seminar on Goods & Services Tax and E-Filing of Income Tax Returns. The seminars were organised on 1st November 2017.

The new indirect tax regime i.e Goods & Services Tax though deemed to be a step of advancement has created more doubts and confusions in the average consumer's mind. URJA took an initiative to invite CA Rajender Arora, Secretary of NIRC, so as to bring the conceptual clarity amongst the students.

E-Filing of Income Tax became the revolutionary step of the Income tax Department. It ensured hassle free filing of returns. The practicalities of E-Filing of Income Tax Returns was explained by Prof. Ravi Gupta, Associate Professor, SRCC. He has authored several books on Income Tax , E-Filing of Income Tax Returns. He explained the entire procedure of E-Filing in depth which helped the students to learn the intricacies and prepared them for their upcoming practical.
