

Misba Western Dance Society

Mid-year report 2017-18

MISBA has been the **best dance society of Delhi University** for the past three years. It is a place where students get a chance to explore their talents in fields other than academics and excel in co-curricular activities. With its sheer dedication and commendable team spirit the society bagged **29 first positions, 20 second positions and one third position** last year and promises to bring glory to the college this year as well.

This year, we have participated in four competitions till now and won all four of them-

15 October 2017

Rendezvous, IIT Delhi's annual fest, is one of the most prestigious and renowned fests. More than 30 teams participated in the dance event kaleidoscope. The open air theatre echoed with the name and claps never ceased when Misba gave a breathtaking performance bagging the **third prize**, continuing the legacy. The video can be found in this link-
