SGGSCC

Annual Report 2016-17

Project Tabeer was started by Enactus SGGSCC in January, 2016. The project aims to serve a dual purpose of financially empowering the widows and solve the widespread sanitation issue in the country through a simple solution - liquid handwashing.

Seeing Opportunity

Need

13% residents vulnerable to diseases like diarrhea.
Miserable condition of widows.

Opportunity

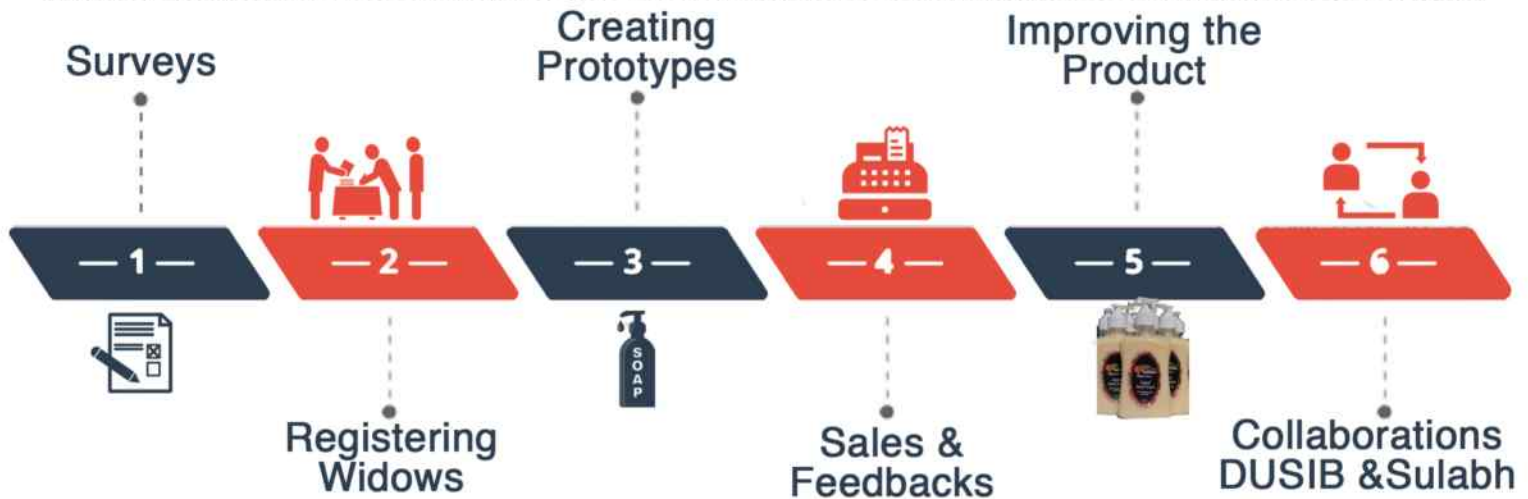

25% reduction in spreading of infectious diseases by proper handwashing.

Target Community

14 Widows in each slum.
90% of them are illiterate.

Taking Action

Enabling Progress

Social

- Integrating widows into the society.
- Spreading awareness about sanitation

Sustainability

- Regular orders from DUSIB and Sulabh International.
- Training widows in fields such as finance, marketing and more.

Project Book A Plant aims to render financial support to the community of plant vendors, a community that is slowly fading away and inculcate a sense of responsibility in the people towards the environment.

Seeing Opportunity

Need

2.2M children in Delhi suffering from irreversible lung damage.

Opportunity

8X reduction in pollution due to green cover.

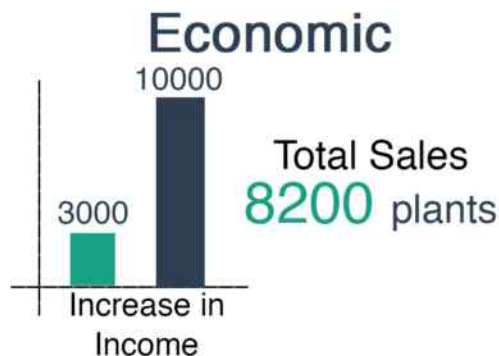

Target Community

1.4M Plant Vendors in Delhi.

Taking Action

Enabling Progress

Social

Inculcating sense of responsibility towards the environment.

Improving the social status of the vendors.

Sustainability

₹1.5 given to the head to drive the project to sustainability.

Skills in the field of communication are being provided to vendors
