REPORT 2017-18

About Us

International Centre is a platform comprising exposure, skill enhancement and personality development for international purposes.

IC brings students together with various approaches towards the world. **“Riding the Global Waves”**. It helps in quenching thirst for **Global Knowledge**.

International Centre is the first society of **Sri Guru Gobind Singh College of Commerce, Delhi University** to work at the international level. International Centre organizes various seminars and events addressing international studies, culture exposure and experiences.

Nottingham University

The International centre of Sri Guru Gobind Singh College of Commerce provides its students international exposure and opportunities of student exchange programmes, summer. The kick starter event of International Centre of the college showcased an interactive and informative session on studying options in the University of Nottingham. The event was graced by principal Dr J.B Singh , Dr Sangeeta Dodrajka , Dr Naveen Dua along with several other teachers. Also it witnessed the presence of more than 70 students of the college. Jeremy Burgess, Associate director-International recruitment & marketing. Faculty of International office, along with Dr. Robert Webb co-director of MBA & MSc programme in Nottingham University exposed the students to study, cultural, work and demographic environment of Nottingham. The students raised several questions about scholarships, co-curricular and accommodation environment to the faculty of Nottingham and all their queries were solved immediately by the faculty members.

British Council

Education fair held at British Council was an opportunity provided by International Centre of Sri Guru Gobind Singh College of Commerce.

An open call was made in college to get registered for the event, response of which was pretty good. Many non society students enrolled themselves for the fair.

The Exhibition covered various topics:

- Visas and Immigration
- SBI loan
- Scholarships
- IELTS
- Accommodation

The incentives provided to the attendants of the fair were:

- A full year membership of British Council Library.
- Individual student discounts on digital membership of British Council Library

The Chopras

The Chopras Institute of Education assists those who are looking for a qualification in India that can be used as a stepping-stone or as a pathway to further study overseas as well as those looking to develop their skill set to enhance their career opportunities in today's competitive global market. An event was conducted at the beggars point in the college premises in which the counsellors provided the students the guidance and cleared their every possible query. They gave complete description about the courses offered , expenditure , package and eligibility criteria for different countries like UK , USA , Canada , Paris and Australia. There were numerous students who wanted to study abroad but they did not had he knowledge about the various things which was enhanced as proper counselling and mentoring was done by the experienced counsellors. The event proved to be very fruitful for the students.
