

THE TRAINING AND PLACEMENT CELL, SGGSCC

ANNUAL REPORT 2023-24

ABOUT THE TRAINING & PLACEMENT CELL

The Training & Placement Cell, established in 2005, has consistently facilitated the process of summer training and final placements, ensuring that students receive ample opportunities in finance, accounting, marketing, sales, IT, and research domains.

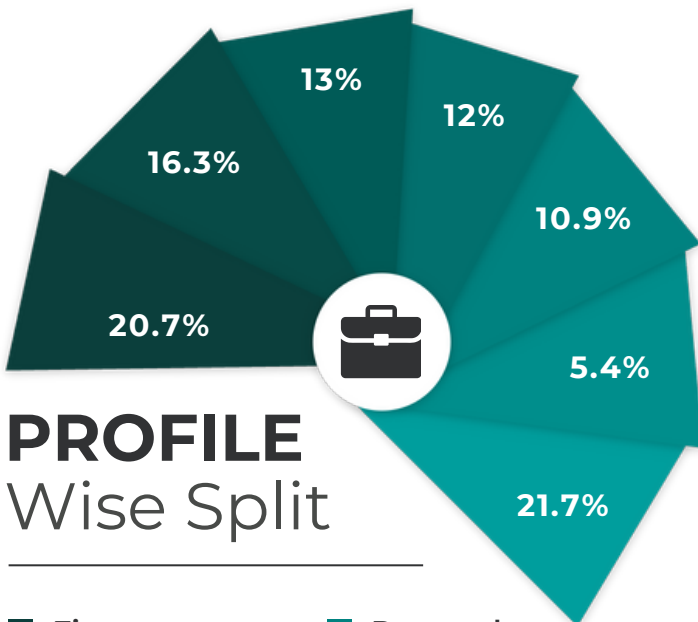

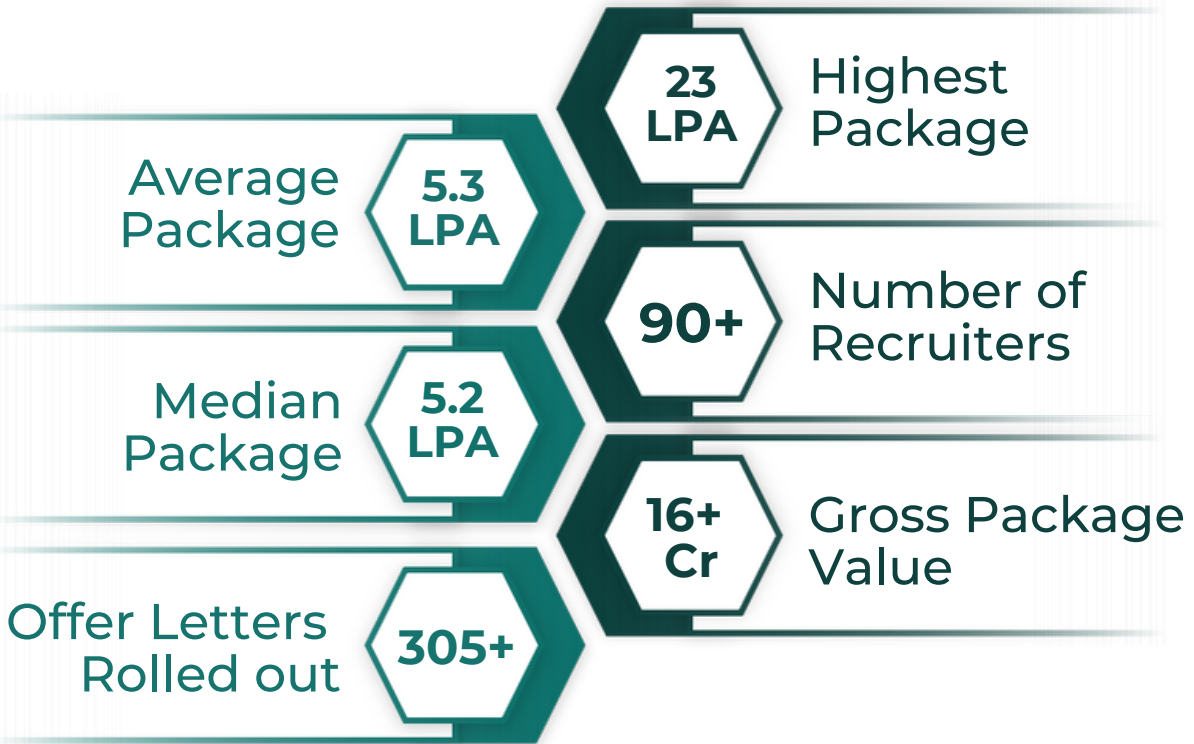

Beyond placement opportunities, the cell is dedicated to the comprehensive development of students by organizing various training sessions and workshops focused on personality development. This dual approach of providing both placement and personal growth opportunities positions SGGSCC students for success in their future careers.

The Placement Session for 2023-24 achieved significant milestones. A total of 305+ offer letters were extended to students from diverse academic backgrounds, with the participation of over 90 recruiters including Deloitte, PwC, KPMG, Zomato, TresVista, Oxane Partners, EXL, WTW, DE Shaw & Co, RSA & many more. The college achieved remarkable statistics, with the highest salary package at INR 23 LPA, an average CTC of INR 5.3 LPA, and a median CTC of INR 5.2 LPA. The total gross package offered was INR 16.32 Crores.

The internship session for 2023-24 also saw significant achievements, with an average stipend of INR 11.28K, a median stipend of INR 10K, and the highest stipend reaching INR 75K. Over 90 recruiters participated, securing a substantial number of high-quality internships.

With the commencement of the upcoming session, we are honored to invite our esteemed recruiters to continue their partnership with us. We anticipate another outstanding placement season and look forward to achieving new milestones.
