Principal

The college's year book depicts the story of all round activities of students in our college. It outlines the academic achievements of our faculty and students in the current academic year and students participation in extra curricular activities.

Our college combines the rigors of education with fun of creativity. This gets manifested at different platforms like dramatic society, cultural functions, academic debates, annual function, etc. Our college has been accredited 'A' by National Assessment and Accrediting Council (NAAC) for academic performance. It has been our objective to keep sprucing-up our infrastructure, strive for excellence in education and keep humility in mind to become inclusive to society.

Despite our college specializing in commerce, economics, business economics, computer science, international marketing and business journalism, our students and faculty have never forgotten their role to society. We nurture students like gardener and prepare them for tough world outside when they graduate from our college.

I congratulate our Annual day team for putting together the wonderful pearls in one thread. The path they have developed will guide our future generation toward enlightenment.

Message from the Chairman

S. Bhupinder Singh Anand
Chairman, Governing Body

Sri Guru Gobind Singh College of Commerce established in 1984 by Delhi Sikh Gurdwara Management Committee is well known Commerce College in Delhi and India. The college follows its tradition of humanity and combines it with excellence in education to cater to students and society.

The college imparts secular education to students, make them good human beings and enable them to learn requisite skills to earn decent livelihood with dignity. Apart from well equipped class rooms and playing fields, the college also has 35 societies and clubs to cater to diverse learning needs of students. This year the college is adding a Girls Hostel to its infrastructure to accommodate outstation students. We have also established a shooting range for sports students.

I wish to congratulate all stakeholders who have taken out this year book. My special congratulation to the Principal, Dr. Jatinder Bir Singh along with the Convener of Annual day Committee for tirelessly working to honour students who have excelled themselves in academics, sports and extra-curricular activities.

Alumnus of the Year - Dilpreet Singh Joura

My first stepping stone was to get admission in Sri Guru Gobind Singh College of Commerce, Delhi in 1989. I started realizing value of time. Making use of this aspect of life, I started learning travel trade Business. After acquiring the desired training in Airlines I started a business of Travel trade. In very short period of time I could make good business with big business Houses and dignitaries with high status.

The interest of some of my college colleagues for study to Australia inspired me to try my luck for Australian Education business. With the cooperation of one of my old friend , who was an ex student from Australia, we started business and got our self registered with major universities , colleges and Association of Australian Education of Representative in India with Australian High Commission, New Delhi. We started sending students to Australia for higher studies.

In meantime time good number of students showed their interest for higher education in Canada, I planned a trip to visit universities in Canada and America. But Luck played it own part and I was enticed by a business of stainless steel sinks in Canada and started exporting sinks from India and finally moved to Canada. Now I am citizen of Canada and President of Onex Enterprises Inc., which is one of the leading Distribution Company of Stainless Steel Sinks in Canada. We Supply sinks to all major Wholesalers, with branches over 400 across Canada. I started this company in 2006 with the guidance of friend and now Onex brand name is among top 5 brands in Canada for Sinks by the Grace of Waheguru (God) and blessings of my teachers & Parents

Dr. Manoj Panda, Director-Institute of Economic Growth threw light on how the actual growth story of India began post 1991, with the tripling of the per capita income. He attributed this to deregulation of the telecom sector that eventually led to the revolution in communication.

Member SEBI committee on commodity futures, who raised deeper questions of improvement required in agriculture. He emphasized that there is a need to ensure resources that are sustainable and also there is an urgent need for reforms in this sector, including tax structure.

The first technical session on, "Reforms in Indian Economy: A sectoral perspective", was chaired by Prof. N.R.Bhanu Murthy from NIFPM. He opined that the take-off of Indian economy had essentially taken place after 1991 reforms but what matters is its sustainability and he left the floor open for other speakers. Other eminent speakers were Sh.Prasanto K. Roy, VP Mobile and E-Commerce association of India, NASSCOM, who spoke at great length on how digitalization of payments has taken off after demonetization and the rising concern of security that accompanies this change.

The final session for the day was a case-study competition for students judged by Dr. Rita Nagpal, Assistant Professor, Dyal Singh College, Dr.Anjula Kalsie, FMS, and Dr.Yogieta S Mehra, Assistant Professor, DDU. The teams from four different colleges presented their innovative ideas as Tabeer, TransCIT, Arpan and Inkstick.

Principal Dr. J. B. Singh chaired the second technical session. Other speakers for the session were Sh. Vijay Sardana-

The convention provided the audience an opportunity to understand the perspectives of industry experts and also to clarify and seek solutions of various problems confronting the economy.

New Course Committee Report

In this age of competition, it is endeavor of every student to differentiate themselves from the crowd and be noticed by the potential employers. Recognizing this aspiration at Sri Guru Gobind Singh College of Commerce, we collaborated to bring the following four industry-relevant Add-on courses; (1) Integrated Programme on Currency, Commodities and Derivatives (IPCCD), (2) Financial Modeling (FM), (3) Sales, Marketing and Life Proficiencies, (4) Student Entrepreneurship' programme (STEP). The first two programmes were in joint collaboration with Bombay Stock Institute Limited (BIL), and the next two courses were in partnership with Global Career Smart (GCS) and Indian School of Entrepreneurship and Enterprise Development (ISEED) respectively.

The 'IPCCD' course aimed to provide insights into the equity, debt, commodity and currency markets and understand qualitative and quantitative aspects of all these markets along with their regulatory framework. The 'FM' course focused on the practical aspects of modeling using spread sheets such as, revenue and cost build up schedule, the asset and depreciation schedule and retained earning schedule. With the objective to transform students into new-

age entrepreneurs, the 'STEP' course aspired to help students to go beyond the course curriculum. It aimed to channelize the innate entrepreneurial and innovation energy of the students to realize their new business dreams by developing original thinking and innovative value creations. The course on 'Sales, Marketing and Life Proficiencies' course intended to equip students with global competencies that enable them to embrace some of the highest paying sales and marketing career opportunities.

Further, to help students better understand these courses, a Joint Interactive Session was also organised on 1st August, 2016. Mr. Pulock Bhattacharji, Head of Business development at BIL, Dr. Harsh Mishra from ISEED and Mr. Anshumali Saxena from GCS provided all the required details about their respective courses. LAST YEAR... THIS DAY!!!!

32nd Annual Day Celebrations

Some journeys are direct, and some are circuitous; some are heroic, and some are fearful and muddled. But every journey, honestly undertaken, stands a chance of taking us toward the place where our deep gladness meets the world's deep need
