Sri Guru Gobind Singh College of Commerce continually strives to forge ahead in the pursuit of excellence in all walks of life. The college achievements bear testimony to the fact that with constant upgradation, we provide our students, a healthy environment to achieve soaring heights.

The role of an educational institute is to pursue academic excellence while understanding the fact that these young minds are the assets of our nation, to be nourished with good cultural experiences, emotional strength, physically enriching environment with opportunities to intelligently demonstrate their knowledge and skills. We have constantly strived to attain newer milestones in this direction.

It gives me immense pleasure to present our Year Book for the academic session 2018-19. While taking an annual stock of our achievements and shortcomings as well as our challenges and aspirations through compilation of our year book, we learn useful lessons for the path ahead.

Students have worked hard in academics, sports, extra-curricular activities, and socio-cultural engagements. Our parent body has not left any stone unturned in providing them with the needed infrastructure and facilities. The administrative staff has always been very supportive, updated, and cheerful. Last but not the least, our teaching faculty has worked tirelessly in being the torch-bearers for our students guiding them through their own examples of learning and research-orientation.

Message from the Chairman

S. Harmanjit Singh
Chairman, Governing Body

Sri Guru Gobind Singh College of Commerce is one of the country's premier commerce colleges committed to impart transformative education to create leaders and innovators. It has always endeavored to provide an ambience in which new ideas and knowledge flourish. The institute, at the same time, develops an empathetic understanding of the challenges faced by the nation so that the students make meaningful contribution towards research and education ecosystem of the country. In the process, it is heartening to see the students win laurels and accolades at various academic, cultural and sporting forums.

The college facilitates internal support system to broaden the knowledge base of the students through numerous academic and cultural forums, clubs and societies. It enhances their engagement with the society and the industry. These varied learning avenues allow the students to realize their potential early. The moral and ethical values envisioned by the college guide the students throughout their lives.

I feel proud to be a part of this team led by the Principal, Dr. Jatinder Bir Singh and congratulate the faculty members, students and staff members for working tirelessly towards designing new ideas and devising novel ways of understanding. I wish the students learn to think logically, creatively and innovatively from this prestigious institution and intellectual faculty members. I wish for all of us to be curious learners for life and to serve the society through education thus acquired.

RESEARCH INCENTIVE

The College Governing Body this year, initiated seed funding to encourage research by faculty. Faculty getting their research published in Scopus or Web of Science listed journals would get a monetary incentive of INR 10,000 subject to a maximum amount of INR 20,000 per academic year.

College has also instituted an award of INR 50,000 for incubation of the Best Innovative Idea to be converted into a Start-up. In addition, the college has set up a Centre of Excellence in association with Bombay Stock Exchange Institute Limited to carry out joint academic activities including seminars, conferences, provision of data, etc.

This year, Dr. Neha Goyal, Department of Environmental Studies published four research articles in peer-reviewed journals of international repute, including high-impact journals, Biological Invasions and Ecosystem Services. The details are as mentioned below.

- Goyal, N. and Sharma, G.P. (2019) It takes two to tango: variable architectural strategies boost invasive success of *Lantana camara* L. (sensu lato) in contrasting light environments. *Biological Invasions*, 21, 163-174 (ISSN Number: 1573-1464; Impact factor: 3.01)
- Rana, K., Goyal, N. and Sharma, G.P. (2018) Staging stewards of agro-ecosystems in the ecosystem services framework. *Ecosystem Services*, 33, 89-101 (ISSN Number: 2212-0416; Impact factor: 4.395)
- Goyal, N., Shah, K. and Sharma, G.P. (2018) Does intrinsic light heterogeneity in *Ricinus communis* L. monospecific thickets drive species' population dynamics? *Environmental Monitoring and Assessment*, 190, 410 (ISSN Number: 0167-6369; Impact factor: 1.804)
- Goyal, N., Esler, K.J. and Sharma, G.P. (2018). What drives performance potential of *Lantana camara* L. (sensu lato) in the invaded range? *Tropical Ecology* 59, 57-68 (Covered by DST-NRF Centre of Excellence for Invasion Biology, http://academic.sun.ac.za/cib/news/2018/0619_residence_time.html) (ISSN Number: 0564-3295; Impact factor: 1.189)

Ms. Megha Ummat, Department of Computer Science has also published four research articles in

Scopus/ Web of Sciences indexed Journals of international repute.

- Threats to Validity in Search-Based Prediction Modeling for Software Engineering, *IET Software*, vol. 12, no. 4, pp. 293-305, ISSN: 1751-8806, August 2018.
- Particle Swarm Optimization-Based Ensemble Learning for Software Change Prediction, *Information and Software Technology*, Elsevier, vol. 102, pp. 65-84, ISSN: 0950-5849, October 2018.
- An Empirical Study to Evaluate the Relationship of Object-Oriented Metrics and Change Proneness", *International Arab Journal of Information Technology*, vol. 15, no. 6, pp. 1016-1023, ISSN: 1683-3198, November 2018.

Following the initiative by the governing body,

Ms. Megha Ummat and Dr. Neha Goyal are being awarded the research incentive.

ACCEPTING WHAT TIME UNFOLDS

NEW ROLES AND AFFILIATIONS

Dr. Harpreet Kaur, joined as the Principal of Mata Sundri College for Women, University of Delhi. We wish her all success for her new role and responsibility.

25 YEARS OF OUTSTANDING SERVICE

Mr. Mahesh Chand joined the Department of Library Science on 24th January, 1994 and completed 25 years of association with the college.

RETIREMENT

Having served the college for more than 3 decades in various administrative positions, **Ms. Manmohan Kaur** retired on 31st October, 2018 as Section Officer, Administration. She has been synonymous to the adage "service with a smile" and has set highest standards of dedication and sincerity despite the demanding nature of her job.

Mr. Ram Lakhan retired this year having diligently looked after the lush green lawns and well manicured college landscape for more than 31 years.

The management, faculty and non teaching staff acknowledge and appreciate their contribution and outstanding services to the institution.

REMEMBRANCE

The college pays its tribute to **Dr. Avtar Singh**, Department of Punjabi who left for his heavenly abode during his service tenure. He was an asset to the college who worked tirelessly and whole heartedly for the cause of Punjabi language and culture.

We also remember our Administrative Officer, **S. Terlochan Singh** who has left a vacuum in our hearts since his untimely demise.

The SGGSCC Family will always remember them for their selfless contribution and services to the college.

ENHANCEMENT OF COLLEGE FACILITIES

Infrastructural needs of the college have always received special attention and increased allocations for the vibrant growth potential of the institution. Last year, we saw the laying down of new water pipelines and a sewage system. In a further attempt to stay with the times, the college has floated tenders for the renovation of the Seminar Room and the Conference Room so as to equip them with the latest AV system and state of the art technology. Also, in the pipeline, is refurbishment of students' washroom, renovation of the existing staff room and basement (to increase the allocated space for research). Keeping in mind the growing environmental concerns, the college is also in the process of installing a rain water harvesting system and also considering the construction of gazebos

STRIDES TOWARDS REACHING NEW ACADEMIC HEIGHTS

Internal Quality Assurance Cell (IQAC)

IQAC, with an objective to pursue quality enhancement and sustenance measures is making constant, consistent and catalytic improvement in the core activities and other related endeavors of the college. It has been working zealously to initiate and implement the broad objectives outlined under the purview of NAAC's four quadrant approaches i.e. Infrastructural Growth, Empowering Students, Faculty and Non-Teaching Staff.

A procedure for software creation for Online Stock Maintenance was initiated. Monthly Salary Slips of the employees were made available online on the SmartProf App. All Provident Fund Records of Faculty Members (since 2000-till date) were digitized and were made available on the college app. A process to create individual Faculty's Profile on the college website was initiated. Creation of Information Centre to collect details of all college events/societies was further improved. To empower students, Punjabi Language Remedial Classes were conducted for first year students.

Drishti Undergraduate Colleges Survey 2018 was submitted. Domain-based E-mail IDs were created for each Society/Club/Department. Creation of Google Classroom for systematized data collection in IQAC Information Centre was further improvised. Digital ID Cards for Students, Faculty and Support Staff were created. IQAC along with the Head of Departments initiated the task of creating Question Banks for each subject/paper, for the benefit of the students and to facilitate their examination preparation.

IQAC (2016-18) organized a National Symposium on 'Quality in Higher Education, Road to Employability' on 24th April, 2018. The Chief Guest for the programme was Shri M. Hamid Ansari, Former Vice-President of India, and Guest of Honour was Dr. Jaspal Singh, Former Vice-Chancellor, Punjab University, Patiala. Other eminent guests included Prof. K.K. Aggarwal, Chancellor, KR Mangalam University, Prof. I.M. Pandey, Director General, Delhi School of Business, VIPS. The event witnessed several speaker sessions from industry experts and four renowned companies, EY, KPMG, Deloitte and PwC. In crux, the present status of education was outlined and corrective measures were suggested by the eminent speakers on the occasion.

The IQAC in collaboration with the Research

Committee, the Economics Department, and the Seminar Committee organized several seminars and workshops. One of such workshops was on 'Smart e-Office Techniques 1.0 @2018: Stock Management and Data Handling Techniques' on 4th-5th June, 2018 to impart technical skills to the Non-Teaching Staff, equip them with key internet tools and enhance their soft skills. Dr. C.S. Dubey, Director, Campus of Open Learning and Former Dean, Faculty of Science, University of Delhi was the Chief Guest.

Dr. Sangeeta Dodrajka, Convener

Research Committee

Applied research in the field of economics, finance, management, and commerce, requires knowledge of advanced statistical techniques and sophisticated software. Keeping this in view, the committee organized a one-week Faculty Development Programme on 'Research Techniques for Cross-Sectional, Time Series and Panel Data' from 8th-14th June, 2018. It aimed to help participants with hands-on application of softwares like EViews and Stata. The three resource persons, Dr. C.P. Gupta, Professor, Department of Financial Studies, Dr. Ananya Ghosh Dastidar, Associate Professor, Department of Business Economics, and Mr. Narain, Assistant Professor, Faculty of Management Studies, University of Delhi conducted the sessions. The FDP was attended by

50 participants comprising research scholars and teaching faculty members from Delhi University and many other Universities.

A workshop on 'How to make a good PPT' was conducted in association with the Department of

Computer Science on 24th-25th July, 2018 for the college faculty. Ms. Megha Ummat and Ms. Sugandha Gupta provided hands-on session to the college faculty about different functionalities of the power point presentations.

Further, in our pursuit to make research a continuous process, a half-day workshop titled 'ANOVA, ANCOVA and MANCOVA Techniques of Analysis using SPSS' was organized on 17th August, 2018 in the Computer Science Laboratory. The main objective of the workshop was to familiarize teachers with techniques used for analyzing qualitative data. Dr. Prabhat Mittal, Assistant Professor, Satyawati College (Evening), University of Delhi, was the resource person. The workshop was attended by 25 members of college teaching faculty. Teachers were given hands-on training using SPSS software and the session ended with an absorbing interactive session. A training

session on 'Microsoft Advanced Excel Techniques' was also organized by the committee and the Department of Economics on the 23rd and 29th September, 2018 for first and third semester students of B.A. (Hons.) Economics.

To develop a shared understanding of the importance of innovation and entrepreneurship, a Faculty Workshop on 'Innovation and Entrepreneurship' in association with Sydney Business School, University of Wollongong, Australia was organized from 14th-19th January, 2019. Prof. Grace McCarthy, Dean, Sydney Business School conducted all the sessions.

A one-day workshop, on 'Research Techniques for Analysis of Qualitative Data using AMOS and R-software' was organized on 16th March, 2019 for the research scholars and young faculty members for understanding theoretical and empirical issues involved in selection of a research problem with special emphasis on qualitative approaches to the research. Dr. Hamendra Dangji, Associate Professor, Department of Commerce, Delhi School of Economics was the resource person for the workshop.

A Workshop on SPSS software on 29th March, 2019 was conducted by Dr. Miklesh Yadav from Guru Gobind Singh Indraprastha University to familiarize the students of B.A. (Hons.) Economics with basic research intelligence.

Journal of Business Thought

With the objective to provide a platform that encourages research scholars and academicians to share contemporary thoughts in the related fields of business and economics, the college publishes an annual refereed journal, Journal of Business Thought. It focuses on quality research work and publishes original research papers and recent updates on policy changes at national and global levels. The college published the ninth volume (April, 2018-March, 2019) of its journal that included six research articles authored by professors, associate professors and research scholars of various universities on key topics such as demonetization, inflation, productivity and employment in Indian industries. The journal is now

available in print as well as online. The college has also been able to procure E-ISSN number. Further, the visibility of the journal has increased with its indexation in various platforms including, I-scholar, J-gate and Indian Citation Index. Efforts are also being made to index our journal in Scopus.

New Courses Committee

In the current competitive dynamic world, the students want to hone their skills and extend knowledge horizon beyond the regular university degree so that they can out space their competitors. In view of their interests and demands, the college collaborated with

Institute of Chartered Accountants of India (ICAI), Bombay Stock Exchange Institute Limited (BIL), and Weekendr, the Skill School to start six add on courses in the field of taxation, capital market and data analysis in the academic year 2018-19. These add on courses have made the students professionally more qualified and industry-ready.

The faculty of ICAI trained more than 120 students in concepts of GST and its implementation, the major indirect tax reforms in the country. The BIL, one of the premier institutes in the field of capital market, trained around 60 students enrolled in Course on Financial Modelling and Course on Mastering the Stock Market. The competent passionate professionals shared their knowledge on a wide range of emerging issues and challenges covering stock market, financial derivatives, commodity market, foreign

exchange market, risk analysis, etc. The students had an opportunity for experiential learning as they had exposure to real working of stock trading, other financial market instruments and simulation exercises over the sessions.

In this era of big data, learning data analysis tools such as Excel, Python and R Language have turned to be a prerequisite for accelerating career growth. Going in this direction, Weekendr imparted advance excel training to 65 students enrolled in three batches over the year. Around 25 students entered world of data sciences using R and Python language. These have helped the students in understanding the processes and systems that are used to extract information and give insights to issues within individual sector and economy at large.

ENACTUS

Enactus is a community dedicated to creating a better world while developing the next generation of social influencers and successful entrepreneurs. Enactus SGGSC currently runs two projects under its name- Project Tabeer and Project Book a Plant. While Project Tabeer aims at providing health and sanitation to the destitute areas and providing employment to rural women, Project Book a Plant delivers potted plants through its own online portal- www.bookaplant.enactussggsc.org, allowing the citizens of this country the right to breathe clean air.

The team, with an aim to understand the ground realities of the stricken areas, made visits to various villages of Rajasthan, Uttar Pradesh, and Uttarakhand,

where people could discuss the real time issues faced by them and the hardships that an average citizen goes through to avail the basic facilities. These visits proved as an opportunity for them to have an open discussion on sanitation, menstrual hygiene, open defecation and encouraged dialogue

about the topics they usually shied away from. The team has constantly strived towards maintaining a global presence through attending Enactus Nationals held in Mumbai. This year Enactus SGGSCC was recognized as one of the top 12 teams in the world for its flagship project, Tabeer. The team represented our college at the World Water Race held at San Jose, California, USA. To further enhance the business acumen and motivate the teams to reach greater heights, a panel discussion and training

session was held by Enactus India in February, 2019.

FOUNDER'S DAY CELEBRATIONS

Vismaad, the Divinity society of SGGSCC celebrated the birth anniversary, of Sri Guru Gobind Singh Ji as the college's Founder's Day.

Sri Guru Gobind Singh Ji had set an example throughout the chronicles of human history and lived the most inspirational life than anybody else. He is variously revered as Sarbans Dani (the merciful donor, who sacrificed his all), Mard Agamra (man without any parallels), Shah-e-Shahenshah (emperor of emperors), Bardo-Alam-Shah (ruler of both worlds), amongst others.

Adhering to this pious ceremony, this year the Founder's Day was celebrated on 24th and 25th January, 2019 with full zeal and devotion.

The First Day of the Annual Event witnessed - Bani Kanth, Declamation, Quiz, and Kirtan Competition on 24th January, 2019. Khalsa Warriors, the Gatka society also hosted their second Inter-school competition. This prestigious event was a hard-fought competition

involving around 200 participants.

The second day witnessed the Gurupurab celebrations. Soulful Kirtan recitation by the Vismaad Team, winning Kirtan teams of Inter-School Competition and Hazoori Raagi Kartar Singh Ji and Raagi Onkar Singh Ji enthralled all. This was followed by a power packed performance by Khalsa Warriors- the Gatka Society. Samapati was followed by Guru Ka Langar.

Some Memorable Moments!

Some journeys are direct, and some are circuitous; some are heroic, and some are fearful and muddled. But every journey, honestly undertaken, stands a chance of taking us toward the place where our deep gladness meets the world's deep need
