*"To Live

to Help"*

The Rotaract Club of Sri Guru Gobind Singh College of Commerce is a 13-year-old, renowned institutional-based unit operating under the guidance of Rotary International.

Its stated purpose is to bring individuals together to provide humanitarian aid to the vulnerable sections of the society and serve as a forum for taking a stand for social issues.

Every tenure the Club dives deep into the ocean of social ills and brawls them by effectuating a diverse range of activities throughout the year, including free training opportunities for the under-served, annual blood donation camps, donation drives, and many more activities.

PRINCIPAL'S MESSAGE

Welcome to Sri Guru Gobind Singh College of Commerce. As an economist and the Principal, I am honored to lead an institution dedicated to business, commerce, and economic studies, named after the revered tenth Sikh Guru.

Our college began its journey with a small group of students, a modest faculty, limited resources, and a strong mission

to provide quality education while preserving cultural heritage. This ambitious vision has guided us for over twenty-five years, transforming our college into a leading hub of learning and innovation.

It is through our shared efforts that we have created a dynamic environment for learning, work, and exploration. My vision for this institution is to establish it as the premier educational center in South Asia, where the entire community is committed to student development. We emphasize personal leadership growth in every student. With the guidance of exceptional faculty and a modern, values-driven curriculum, our students are well-equipped to make meaningful contributions to society and become effective leaders of social change, rooted in the ethical values and principles of the Sri Guru Gobind Singh College of Commerce tradition.

Our goal is to foster a learning environment that empowers students to gain knowledge and advanced skills in their chosen fields, helping them achieve their aspirations.

Dr. Jatinder Bir Singh
Principal, Sri Guru Gobind Singh College of Commerce
