REPORT OF THE FACT SEMINAR

In the Seminar the speaker focussed on the importance of **Financial Literacy** in our day to day lives.

She discussed about FACT i.e. Financial Awareness and Consumer Training.

It is a programme by NCFE to provide financial education to young graduates and postgraduates, on topics relevant to them, which will positively impact their financial well-being.

She also focussed on **Identity theft protection**. What measures can be taken to safeguard your personal data in online transactions.

Then she focussed on six major topics:

Responsible use of credit card: How to avoid overusing credit card and get fraud purchase protection?

Education loan borrowing principles: Relaxations and repayment strategies of education loan

How to avoid impulse buying: How to make a proper budget before shopping?

Let's go cashless: Different modes of digital payments and Know-how of these modes

Your first paycheque: How to manage your income?

How to set the Financial Goals?

It was indeed an insightful seminar and the audience got to learn a lot of things from the speaker.
