

# Quest- The Quizzing Society

In the past tenure Quest has organised 2 quiz fests- Quizessential'23 and Connaissance'23 on 27th October, 2023 and 29th April, 2024 respectively. We have also conducted quizzing events like the Indian Values and Knowledge Quiz in collaboration with IQAC on 13th February, and other quizzes in collaboration with ASBEMS and Niti Nexus alongside an intra-college quiz to promote the quizzing culture in the college.

Covering a diverse set of genres like Business, Technology, MELA, Sports and India, our quiz fests saw 1000+ registrations with participants ranging from college students to renowned quizmasters. Not only did the students get a chance to showcase their talent, but we also collaborated with seasoned quizmasters like **Factaco and Sujit Ray** to name a few. **Our members brought laurels to the college by winning quizzing competitions at prestigious institutions like IIT Delhi and Kirori Mal College.**

Quest has taken active steps to upskill the students in designing, research, public relations and public speaking domains to achieve holistic development. We also conduct weekly quizzing league sessions to promote quizzing, keep students updated on latest happenings, enhance their quizzing abilities and provide them an opportunity to explore different domains.

The society also holds great importance towards giving opportunity to those who need it the most. This is why Quest gave hosting opportunities to college freshers and those students who required improved communication skills. This not only enhanced their public speaking skills but also increased their confidence.

Team bonding sessions were also a major part of the Quest calendar of 2023-2024. Collective participation in Inter College quiz competitions was a major activity.

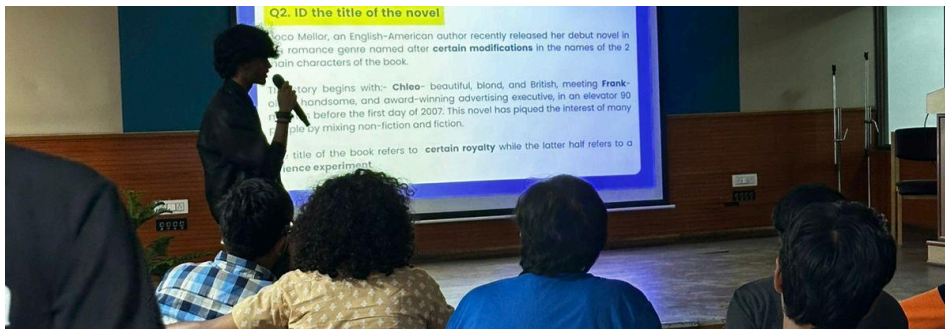

Informative Social Media content has been a major factor in upbringing Quest.
