## **IVOGUE – The Fashion Society**

---

Ivogue – The Fashion Society of Sri Guru Gobind Singh College of Commerce is a reputed and renowned name in the fashion circuit of the Delhi University as well as numerous other colleges.

Ivogue participates in intercollegiate competitions where our members have consistently demonstrated exemplary creativity and innovation, by which we have garnered several prizes and accolades for Sri Guru Gobind Singh College of Commerce. At Ivogue, the aim is to express creativity, skill and innovation of individuals through careful designing of outfits for themes like gender inequality, metaverse , cultural fusion and so on. Also, this is a great platform for individuals to get stage exposure by which personality grooming and confidence building takes place, alongside learning how to coordinate and work in teams, which would surely be beneficial for future endeavours

The months of October, November and December are utilized for preparing props, outfits, posters and

choreographies in order to prepare for the season of competitions ahead. This time is also put to use to improve the posture and walk of our performing members, so that they can carry the props and outfit in front of a crowd in a confident manner.

## MODELLING WORKSHOP

A Modelling Workshop was organised in order to make students familiar with the society and to encourage extracurricular activities in our college.
