

CENTRE FOR PROFESSIONAL DEVELOPMENT

SRI GURU GOBIND SINGH COLLEGE OF COMMERCE

UNIVERSITY OF DELHI

ANNUAL REPORT

2019-20

ABOUT THE COLLEGE

Sri Guru Gobind Singh College of Commerce, founded in 1984 as the second Commerce College of the University of Delhi, is a premier institute, specializing in commerce, economics, business economics, management studies and computer science. The College is recognized for its academic excellence and has been accredited with Grade A by NAAC. It emphasizes on providing quality education to the students along with building their strong character; thus making them socially responsible citizens, befitting its motto, Behold all Human Race as One.

ABOUT THE CENTRE

The Centre aims to impart competence and fulfil career aspirations of students through structured learning pathways i.e. offering add-on courses (short term courses), conducting training sessions/workshops, holding special lectures, etc. so that they can go beyond the scope of regular coursework. To achieve this, the Centre promotes networking with national & international institutions of repute and collaborates with industry and academia. It develops the curriculum and delivery of relevant skills for students which are in tandem with the emerging needs of the society. Students are trained by professionals and also get an opportunity of experiential learning filling the gap between industry and academics.

VISION

To provide a cutting-edge platform to the students so that they become professionally qualified and industry-ready and equip them with problem-solving tools to overcome the challenges of the future world.

DATA SCIENCE USING R

Add-on Course
2nd June '19

A comprehensive curriculum was designed in collaboration with Weekendr to teach the students the basics of R Studio by using different packages, loops, sets of commands, working across datasets and solving problems. Twelve students got hands-on training sessions that helped the students in understanding the processes and systems that are used to extract information, analyse data, forecasting, predictive analysis, etc. Students found application of concepts easier and participated in classroom quizzes with great enthusiasm.

MS EXCEL

(BASIC + ADVANCE 1.0)

Add-on Course 3rd June '19 (1.0+2.0)

Hands on Basic + Advanced MS Excel was organized in association with WeekendR. Excel is a versatile software, universally used for data analysis, financial modelling, and management. The lectures were a systematic guide to Excel, each one including various data handling and formatting methods, along with exercises for practice and shortcut keys for easy access to operations. This was followed by discussions and all the doubts were solved by the educator. Fifty students in two batches were then evaluated through a project assignment, enabling them to apply their learnings, and were also awarded the certificates. The students gained confidence in using MS Excel for solving trivial to complex problems.

Add-on Course

29th July '19

Another batch was organised on Basic + Advanced MS Excel in association with Weekendr. Excel is a versatile software, universally used for data analysis, financial modelling, and management. The lectures were a systematic guide to Excel, each one including various data handling and formatting methods, along with exercises for practice and shortcut keys for easy access to operations. This was followed by discussions and all the doubts were solved by the educator. 34 students were then evaluated through a project assignment, enabling them to apply their learnings. The students gained confidence in using MS Excel for solving trivial to complex problems.

MASTERING THE STOCK MARKET

Add-on Course
19th August '19

Centre for Professional Development
Sri Guru Gobind Singh College of Commerce
(University of Delhi)
In collaboration with
BSE INSTITUTE LIMITED

TWO VALUE ADDED SKILL ORIENTED COURSES (2019 - 20)

SGGSCC, Centre for Professional Development, brings to you 2 unique offerings to enhance your skills and improve your employability quotient: "Mastering the Stock Market" and "Financial Modelling Using Excel" in collaboration with BSE Institute Limited, which is a wholly owned subsidiary of BSE Limited. BSE Institute Ltd. inherits from BSE, the knowledge and insights into the capital markets industry, garnered over the past 144 years.

KEY HIGHLIGHTS OF MASTERING THE STOCK MARKET (MSM COURSE)

- ✓ Bird's eye view of the financial markets in general and stock market in particular.
- ✓ Appreciate & understand the features of BSE's online trading particularly BOLT plus
- ✓ Mock trading / live trading sessions
- ✓ Understand the do's & don'ts of trading in the stock market selection
- ✓ Learn the golden rules of trading stock
- ✓ Understand & apply fundamental and technical analysis

Course Duration: 100 hrs.
Syllabus Link: <https://goo.gl/K3rxK1>

Course Fee: Rs. 18000/- + GST (18%)
(10% fee concession for SGGSCC Students)

KEY HIGHLIGHTS OF FINANCIAL MODELLING USING EXCEL (FM COURSE)

- ✓ Financial statement modelling using excel
- ✓ Risk management using derivatives
- ✓ Using data mining & quantitative analysis to learn risk management skills
- ✓ Valuation modelling / quantitative techniques
- ✓ Decision making in finance
- ✓ Case study discussion, simulation activities and industry visits

Course Duration: 100 hrs.
Syllabus Link: <https://goo.gl/mQxt5c>

Course Fee: Rs. 20000/- + GST (18%)
(10% fee concession for SGGSCC Students)

75% attendance is compulsory to sit in exam
Classes will be spread over the two semesters of DU Academic Calendar

Classes will be held on 3 alternate days (M,W,F) from 3:00pm-5:00pm

Starting Date : 19th August 2019 | End Date : Last week of February

Certificate Validity : Life Time

For Registration, fill the online form: <https://forms.gle/Q8iPNBj5WGTWuQ47>

SPECIAL LECTURE ON GST

Special Session
10th February '20

CA Divya Bansal, an ICAI Member, conducted an informative seminar on GST in the College Campus. It was attended by 43 students who participated in the discussion and were given perspective on GST, understand it's implications and became more aware about the taxation system. The highly professional speaker session was followed by a question & answer round, during which the inquisitive students got an opportunity to have their doubts cleared as well as to raise topics with further scope of discussion. It became a wonderful learning experience.

WANT TO PURSUE HIGHER STUDIES?

Mentoring Session 2nd March '20

The Centre for Professional Development organized a mentoring session for students who are ambitious about pursuing their higher studies abroad. We invited our alumnus Ms. Jessica Chadha, a research scholar from the University of Siegen, Germany. We had a footfall of 50+ students from different courses. She guided the students on various aspects such as courses, examinations, universities, visas, letters of recommendation, etc. in detail. She mainly talked about her experience and life in Germany. Her presentation was followed by a question and answer session, where the attendees got their doubts clarified.

HOW TO EVALUATE PUBLIC POLICY

Online Special Lecture
16th April '20

Meghnad Desai Academy of Economics
in association with
Center for Professional Development
Sri Guru Gobind Singh College of Commerce
University of Delhi

LIVE WEBINAR

HOW TO EVALUATE PUBLIC POLICY ?

Thursday, 16th April 2020

3:00 PM - 4:30 PM (students must log in 10 minutes earlier)

SPEAKER

Professor Shagata Mukherjee

Ph.D. from Georgia State University
Associate Professor at
Meghnad Desai Academy of Economics

Limited Seats Only

To Apply: <https://forms.gle/E5id36KvZFbi9jtj8>

It was very contemporary to familiarise the students with the concept of randomized control trials (RCTs) as the Economics Nobel laureates 2019 used RCTs to test the effectiveness of various policy interventions to alleviate poverty. A Live Webinar, How to Evaluate Public Policy, was organised on 16 April, 2020. Prof. Sugata Mukherjee (PhD from Georgia State University), a young bright economist, Meghnad Desai Academy, was invited to discuss about what is policy evaluation, what are the core challenges of it and how those challenges can be overcome. He explained the fundamental difference between correlation and causation in public policy evaluation. Finally, described the various methods of conducting policy evaluation with special focus on the method of randomized control trials (RCTs).

INTRODUCTION TO STATA

Online Workshop
15th May '20

Realising the importance of data science, Live Online Workshop for STATA, Software Package was conducted for 7 days from 15 May to 24 May, 2020. Dr. Harpreet Kaur, an expert in STATA through her effective online mode of teaching trained the students covering data manipulation, visualization, statistics, and automated reporting. Twenty five students sharpened their skills and gained experience in handling statistical enigma through evaluative assignments and class participation. Besides the informative aspect of the workshop, the students were motivated to use Stata for their projects and research work.

(ISB)

A Live Mentoring Session, Are You an MBA Aspirant, was conducted on 30 May, 2020 to meet the demand of MBA aspirants, one of the most sought after career options of the students. The students were addressed by our proud alumni - Bhavye Gupta (IIM Calcutta), Divay Chugh (IIM Lucknow), Vidisha Gupta (ISB) and Hemant Sultania (NMIMS). More than 70 students benefitted from the valuable suggestions and basic tips to get a good rank in MBA exams and how to get into dream business school. Besides having in-depth knowledge of the subject, analytical mind, systematic planning, emphasis was also laid on building CV through extra-curricular activities, internships, projects, etc.

SECRETS OF SUCCESS

Online Mentoring Session
31st May '20

The poster features a central title 'Secrets Of Success' in a stylized font. Surrounding the title are several cartoon illustrations: a person juggling (labeled 'Concentration & Focus'), a person in a graduation cap (labeled 'Academics & Competitive Excellence'), a person lifting weights (labeled 'Energy & Fitness Healthy Lifestyle'), a person with a large rock on their back (labeled 'Problems'), a person at a desk (labeled 'Confidence, Interview & Communication Skills'), and a person with a heart (labeled 'Stress Free Happy Life'). The text 'An Exclusive Session for the students of Sri Guru Gobind Singh College of Commerce' is written below the title. The session is organized by the SGGSCC Center for Professional Development with Mrinal Chawla. A red banner at the bottom contains the date '31st May 2020', time '3:00pm-4:00pm', and a circular portrait of Mrinal Chawla. To the right of the portrait, it says 'Limited Seats (C) 9990971059'. Below the portrait, it identifies him as 'IAS Officer UPSC AIR 156'. At the very bottom, it says 'Register at Tinyurl.com/SecretofSuccessMC'.

With lockdown under Covid, the stress and anxiety among students has increased and they felt demotivated in life. To inspire them, Live Online Session, Secrets of Success was organised in collaboration with Art of Living. The successful IAS officer, Mrinal Chawla, inspired students how to lead stress free happy life. Around seventy students learned several practical methods of reducing stress and enhancing concentration in order to utilize maximum potential and achieve their goals. A brilliant orator, Mr. Chawla shared his personal experiences with the participants that they found relatable, leading to self-analysis. He answered all the queries raised by the students and suggested applicable tips to boost their morale.
