CENTRE FOR PROFESSIONAL DEVELOPMENT

SRI GURU GOBIND SINGH COLLEGE OF COMMERCE

UNIVERSITY OF DELHI

ANNUAL REPORT

2020-21

ABOUT THE COLLEGE

Sri Guru Gobind Singh College of Commerce , founded in 1984 as the second Commerce College of the University of Delhi, is a premier institute, specializing in commerce, economics, business economics, management studies and computer science. The College is recognized for its academic excellence and has been accredited with Grade A by NAAC. It emphasizes on providing quality education to the students along with building their strong character ; thus making them socially responsible citizens, befitting its motto , *Behold all Human Race as One.*

ABOUT THE CENTRE

The Centre aims to impart competence and fulfil career aspirations of students through structured learning pathways i.e. offering add-on courses (short term courses), conducting training sessions/workshops, holding special lectures, etc. so that they can go beyond the scope of regular coursework. To achieve this, the Centre promotes networking with national & international institutions of repute and collaborates with industry and academia. It develops the curriculum and delivery of relevant skills for students which are in tandem with the emerging needs of the society. Students are trained by professionals and also get an opportunity of experiential learning filling the gap between industry and academics.

VISION

To provide a cutting-edge platform to the students so that they become professionally qualified and industry-ready and equip them with problem-solving tools to overcome the challenges of the future world.

BASIC COURSE ON MONITORING AND EVALUATION

Online Add-on Course 24th September '20

A Basic Course on Monitoring and Evaluation was organized by the CPD in collaboration with the Evaluation Community of India. Eminent personalities from organizations such as NABARD, OXFAM, NITI Aayog, NAARM, CMS, and UNFPA hosted the sessions. The students delved deeper into the field with topics like Stakeholder Analysis, Techniques & Approaches to Evaluation, Data Collection & Indicator Selection, Evaluation Designs, Evaluation Reports and Ethics. Scope and Career as an Evaluator was also covered by the panel towards the closure of the course. The course witnessed an active participation of 100+ students, throughout the sessions and received a positive feedback. Based on attendance and feedback assessment criterion, ninety students were awarded certificate of participation.

CENTRE FOR PROFESSIONAL DEVELOPEMENT, SGGSCC

REMOTE SENSING & DIGITAL IMAGE;
RS & GIS APPLICATION

Online Add-on Courses
17th August '20
2nd November '20

CPD was collaborated with the Indian Institute of Remote Sensing, ISRO, and Department of Space and became Outreach Nodal Centre to conduct an online course in geospatial tools and technology namely Remote Sensing & Digital Image. Mr. Vaibhav Puri, the student, enhanced his knowledge in the field of remote sensing with special emphasis on processing remotely sensed data using digital image processing techniques. He was introduced to the concepts of remote sensing, photogrammetry, satellite navigation, image analysis, and geographical information system along with the latest trends. The course trains the course participants with a good working knowledge of the theory and practice of the geospatial tools and technologies.
